Foil Print Colors

Foil may only be used on Napkins, Coasters, and Matches. Foil clogs and does not retain detail well.

Metallic Foil Colors

Kindly note that foil colors look different on each monitor hence the printed foil color may look different than what you see on your computer screen.

Color matching is only guaranteed (plus or minus one color shade) on white or clear items. We will make every effort to obtain as close a print match on colored products however we can to guarantee exact color match on colored products.
