## riding the crest

Gwyneth Paltrow, Jude Law and Hugh Hefner make weighty first impressions with custom monogrammed notes. Alexa Pulitzer (as in Prize) hand-engraves Renaissance-inspired ciphers in olive, chocolate or slate ink on sage, ivory or lavender cotton paper from Italy. "Teachers said my papers were beautiful to read," Pulitzer says. "But I never finished my tests on time because I was so busy making them pretty." (\$208-\$482; alexapulitzer.com)

## ladylike behavior

How do you make a Pink Lady?

1. Pour 1½ oz. of gin, ½ oz. of cream and a dash of grenadine over ice and into this leather-bound stainless-steel shaker (\$50).
2. Shimmy it a bit and strain into matching flask (\$50).
3. Take to beach and enjoy. Both by Julia Knight at surlatable.com.
